"Fastening Systems and Solutions for Commercial Construction"

JOB POSTING

Date: May 12, 2017
Position: Warehouse Associate
Reports To: Branch Manager
Location: Cleveland, OH
Wage: Negotiable

When you join the Triangle Fastener Corporation team, you become a part of one of the most respected fastener companies in the USA. We are looking for someone with a positive attitude who is dependable and able to work as a team in our Birmingham branch warehouse. Our warehouse people are energetic, customer-focused professionals who are committed to providing the best service available.

Job Description:

A warehouse worker with Triangle Fastener Corporation is responsible for material handling and repairing tools. These tasks include, but are not limited to, the selecting and packaging of customer orders as well as loading and offloading trucks. As a warehouse employee, you will be receiving and placing product onto shelves, along with weighing, counting and recording product as it is pulled.

Responsibilities:

- Packaging product for shipment
- Loading/offloading truck shipments and deliveries
- Keep warehouse / product organized
- Working as a team with other warehouse members
- Mechanical Abilities / Tool Repair

Qualifications:

- High school diploma/GED
- Prior experience is a plus but not required
- Understanding of basic math
- Ability to read and comprehend English
- Valid driver's license
- The ability to lift 50lbs on a regular basis

Benefits:

We offer a competitive wage based on experience, 401k and major medical.

If you meet the qualifications of this position, please submit your resume to sales@trianglefastener.com.
