

The TFC Value Proposition

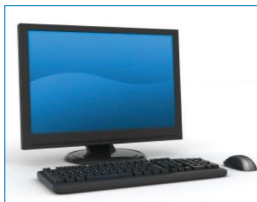

By purchasing only what you need for the job...

- You reduce your inventory investment.
- Improve your cash flow.
- Eliminate dead inventory.
- Reduce “hidden” warehouse and procurement costs.

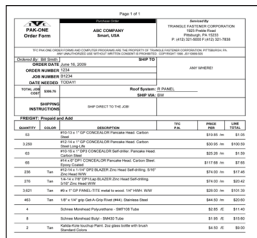

Here's How PAK-ONE™ Works

Let us help you consolidate fasteners, tools, and accessories needed for a specific job.

We can develop a spreadsheet that list all the items that meet your requirements

You can select specific items for a particular job and develop a “cut-list” for your project

Order only what what is needed for the job!
